- (f) inspecting, maintaining and altering neighbouring property and any services serving neighbouring property;
- (g) complying with any present or future legal obligation; and
- (h) inspecting and testing fire extinguishers and other fire safety equipment.

4 **PAYMENT RESPONSIBILITIES**

4.1 You must pay the following to us as rent and in accordance with the terms of this Agreement:

- (a) Rent;
- (b) Service Charge;
- (c) Insurance Rent;
- (d) any value added tax due under this Agreement;
- (e) if we supply water and foul drainage to the Property, you must pay us our charges for this at the same time and in the same way that you pay the Rent. We will be able to vary the charges whenever the overall cost to us of providing these services increases. If we decide to disconnect the supplies of water and foul drainage at the end of this Agreement, you must pay us our charges for doing so; and
- (f) all other sums due under this Agreement.

4.2 You must pay the first instalment of Rent to us on the Rent Start Date and it shall be a proportion, calculated on a daily basis, for the period from and including the Rent Start Date to and including the day before the next Rent Day. Thereafter, you must pay the Rent in equal payments by direct debit on the Rent Days in every year (whether or not this has been formally demanded).

4.3 You must not for any reason hold back (the legal term for this is "set-off") any part of the sums payable by you under the terms of this Agreement.

4.4 We may apply any payment received from you towards any debt which you owe to us under this Agreement regardless of the nature of the debt and when it was due.

4.5 **Rent Review**

- (a) At any time during the period of 6 months before the Rent Review Date we may serve on you a notice in writing ("**Rent Notice**") providing for the increase of the Rent as from the Rent Review Date to an amount specified in the Rent Notice. Time is not to be of the essence as regards service of the Rent Notice.
- (b) Within one month after receipt of the Rent Notice, you may serve on us a counter-notice requiring us to negotiate the Rent Review. If you do not serve a counter-notice within that period, you will be treated as having agreed to pay the increased Rent stated in the Rent Notice.
- (c) If you do serve a counter-notice on us within that period, then we shall as soon as reasonably possible consult with you in an effort to agree the increase to be made in the Rent.
- (d) Any agreed increase in the Rent is to take effect on the Rent Review Date.
- (e) If no agreement is reached within one month (or within such longer period as may be agreed between us) after service of a counter-notice, then the decision of what increase (if any) ought to be made in the Rent as from the Rent Review Date is to be referred to a third party to determine. The third party will either act as a single arbitrator under the current Arbitration Act or as an independent expert as we decide. We may agree with you on the appointment of the third party or either of us may apply to the President of the Royal Institution of Chartered Surveyors to appoint one.
- (f) If an expert is appointed then the expert will allow the parties a reasonable opportunity of making one set of written representations and one set of written counter-representations to him; take those representations and counter-representations into account; give written reasons for his decision; and be entitled to make an award as to his costs.
- (g) If the expert dies or becomes unwilling to act or becomes incapable of acting or if the expert does not give his decision within one month of his appointment the President of the Royal Institution of Chartered Surveyors may upon the application of either party discharge the expert and appoint another expert to act in his place and in the same capacity (and this shall be repeated as many times as the circumstances may require).
- (h) The third party is to decide by ascertaining the Rent at which the Property might reasonably be expected to be left in the open market, as between a willing landlord and willing tenant, as at the earlier of the date of the Rent Notice and the Rent Review Date. In doing this, the third party is to have regard to the terms of this Agreement other than those relating to the amount of Rent, and is to assume that you have performed all your obligations and that any destruction or damage to the Property has been made good But he is to:
- (i) assume the property is vacant and to let with a hypothetical term of 3 years from the Rent Review Date;

- (ii) disregard any goodwill which has become attached to the Property since the Tenancy Start Date because of you carrying on business there; and
 - (iii) disregard the effect on Rent of any improvement carried out by you which you did not have to carry out under the terms of this Agreement or under any other written agreement with us.
- (i) If the Rent ascertained by the third party exceeds the Rent then payable, it shall be substituted for the Rent on and from the Rent Review Date.

4.6 Except to the extent recovered through the Service Charge, you shall pay on demand a fair proportion (to be determined by the Surveyor whose decision, if made in a proper manner, shall be binding upon you) of the expenses payable by us in respect of inspecting, constructing, testing, repairing, redecorating, rebuilding, renewing, re-laying, lighting, cleansing, maintaining and connecting up all (if any) roads, pavements, passages, boundary walls, fences, service media and all other things used in common by the occupiers of the Property and the occupiers of other premises or from time to time provided for such use.

4.7 For the purposes of the Service Charge if applicable:

- (a) "**Annual Expenditure**" means all costs, expenses and outgoings incurred by us during a Service Charge Year in providing or procuring the provision of all or any of the Services, and any value added tax payable on these.
- (b) "**Common Parts**" means the building of which the Property forms part (but excluding the Property itself) and areas and amenities on the Estate made available from time to time by us (or the Superior Landlord) for use in common by the tenants and occupiers of the Estate and visitors to the Estate, or any of them, including the pedestrian ways, forecourts, car parks, loading bays, service roads, landscaped areas, entrance halls, staircases, passages, and areas designated for the keeping and collecting of rubbish, but the expression is not limited to these areas.
- (c) "**Computing Date**" means the date so specified in the summary sheet.
- (d) "**Estimated Service Charge**" means such sum as the Surveyor may demand, having regard to the actual and anticipated cost of providing or procuring the provision of the Services for that Service Charge Year.
- (e) "**Estate**" means the Property together with any other premises belonging to us which share any of the Services with the Property and together also with any other premises belonging to the Superior Landlord which share any of the Services with the Property.
- (f) "**Service Charge Year**" means:
 - (i) firstly the period from the Tenancy Start Date up to the first Computing Date; and subsequently;
 - (ii) each period from the previous Computing Date and ending on the next Computing Date until the last year of the Term, when it shall be;

- (iii) the period from the Computing Date in the last year of the Term and expiring at the end of the Term.
- (g) "**Services**" means those services, facilities and amenities listed below under the heading "The Services" as may be provided by us from time to time.
- (h) "**Total Annual Service Charge**" means a fair proportion of the Annual Expenditure as reasonably determined by the Surveyor.

- (b) In relation to the Service Charge Year current at the date of this Agreement, the Estimated Service Charge shall be apportioned so as to be calculated on a daily basis for the period from the date of this Agreement to the end of that Service Charge Year. The Estimated Service Charge for which you are liable shall, during the period from the date of this Agreement until the end of that Service Charge Year, be paid in equal instalments on the date of this Agreement and the remaining Rent Days.
- (c) Before, or as soon as convenient after, the start of each Service Charge Year we will prepare and send to you a statement of the Estimated Service Charge for that Service Charge Year.
- (d) We may increase (more than once in any Service Charge Year, if necessary) the Estimated Service Charge, having regard to anticipated and/or incurred costs, and you must pay on demand any such sums as additional Estimated Service Charge.
- (e) We will as soon as convenient after each Computing Date prepare a statement showing the Annual Expenditure and the Total Annual Service Charge for the previous Service Charge Year. When preparing this statement we may include, if it has not been included in a previous statement, costs incurred in providing the Services in any previous Service Charge Year. Except where there are obvious mistakes, the statement shall be accepted as correct.
- (f) If the Total Annual Service Charge for any Service Charge Year is more than the Estimated Service Charge for that year, you must pay the difference to us when we ask for it, and if it is less than the Estimated Service Charge, we will deduct the difference from the amount of Rent and Service Charge which you have to pay on the next Rent Day.

- (c) You must not make any external or structural alteration or addition to the Property.
- (d) You must not paint the brickwork of the Arch.
- (e) You must not make any internal, non-structural alteration to the Property (including the alteration or installation of electrical or other services) without first obtaining the written agreement of the Surveyor and the Surveyor's approval of your plans and specifications. - 6.3 If you leave anything which belongs to you in the Property at the end of this Agreement (however it ends), we can sell these goods for you or dispose of them in some other way. We will give you any money we receive from selling your goods, less our expenses. If we do not receive any money from disposing of your goods but incur costs, you must pay those costs to us when we ask you to and when we give you evidence of the amount.

7 INSURANCE, REINSTATEMENT AND RENT SUSPENSION

- 7.1 We will insure:
- (a) the Property, excluding any plate glass in the Property; and
 - (b) the fixtures and fittings at the Property but not any fixtures and fittings which you have installed for your own purposes.
- 7.2 Our obligation to insure is subject to:
- (a) any exclusions, limitations, excesses and conditions that may be imposed by the insurers; and
 - (b) insurance being available in the London insurance market on reasonable terms acceptable to us.
- 7.3 We will not insure your belongings or those of any other person which are in the Property.
- 7.4 We may insure, but do not have to, any buildings or other structures which are erected on the Property after the Tenancy Start Date.
- 7.5 The insurance will be against loss or damage by the Insured Risks and for the amount which we decide will cover the cost of rebuilding the Property and costs associated with rebuilding, such as professional fees.
- 7.6 We will also insure against the loss of Rent for the Loss of Rent Period.
- 7.7 If you ask us for a certificate giving details of the insurance cover, we will supply this, but not more often than once a year.
- 7.8 If the Property is destroyed or damaged, we will use the insurance money, except the compensation for loss of Rent, to repair or rebuild the Property (except any plate glass).

- 7.9 If, in our opinion, the damage to or destruction of the Property is so extensive that this Agreement should not continue we may end this Agreement by giving you, within one month of becoming aware of the damage or destruction, not less than six months' notice in writing, expiring at any time. If we do that:
- (a) you may end this Agreement sooner by giving us, within one month after receiving our notice, not less than one month's notice in writing, expiring at any time;
 - (b) we need not repair or rebuild the Property and we may keep the insurance money;
 - (c) you must pay to us any money which you have received from the insurance company in respect of the damage or destruction.
- 7.10 If the Property is damaged or destroyed by an Insured Risk to such an extent that it is unfit for occupation or for the Agreed Use, you will not have to pay the Rent for the period from the date of the damage or destruction either for the Loss of Rent Period or until the Property is repaired or rebuilt, whichever occurs first but:
- (a) this will not apply if the insurance company has cancelled the insurance cover or has refused to pay compensation or has reduced the amount of compensation payable because you are in breach of any of your obligations under this Agreement; and
 - (b) if there is any disagreement between us regarding this point, an arbitrator will be asked to decide it. The arbitrator will be chosen by agreement between you and us but, if we cannot agree, either you or we can ask the President of the Royal Institution of Chartered Surveyors to appoint one.
- 7.11 You must comply with the conditions of every insurance policy obtained by you or us under this Agreement and must not do or omit to do anything which would or might increase the risk covered by any policy or the premiums payable or cause the insurance cover or any payment of compensation to be cancelled, refused or limited.
- 7.12 When paying us for any insurance under this Agreement you may not deduct any discount or commission allowable or payable in respect of that insurance.
- 7.13 You may not obtain any insurance cover which duplicates any cover which we have obtained under this Agreement. If you do this, you must pay to us any compensation which you receive under that policy.
- 7.14 You will maintain public liability insurance to cover risks relating to the Property with a limit of indemnity of not less than the amount from time to time specified by us for each occurrence with a reputable insurer:
- (a) the insurance will be in the joint names of you and us and will be with a reputable insurance company;
 - (b) the policy will contain a clause preventing the insurance company from paying compensation to either you or us and then claiming the money back from the other;

- (c) the amount of cover must be at least the amount required by the Surveyor;
- (d) whenever we ask to do so, you must allow us to inspect the insurance policy and the receipt for the premium for the current period, provide copies of the policy and premium receipt and provide a certificate from the insurance company or your broker giving details of the insurance cover;
- (e) if you receive compensation under this insurance policy you must use it to make good the damage or claim for which it has been paid and, if the amount is not enough for you to be able to do this, you must pay the difference yourself. If we incur any loss or liability because you have not complied with your obligations, you must pay to us the amount which we have lost or which we have had to pay to anyone else; and
- (f) if you do not take out this insurance, we may do so instead, or alternatively we may notify you that we are taking out this insurance, and in either case where we insure you must pay the premium to us.

8 GENERAL CONDITIONS

We and you agree that:

- 8.1 We will use our reasonable endeavours to enforce the obligations of the Superior Landlord in the Superior Lease.
- 8.2 Any written notice to us relating to this Agreement or the Property will only be properly served if it is posted to us by recorded delivery service or by special delivery service and addressed to us at our registered office.
